

Does your education institution have equipment needing repair?

Send it in to your nearest Computers Now Education Service centre using our nominated courier service, and we will courier your equipment **FREE** of charge both ways.

Simply follow the instructions below, and by booking our courier service yourself, you can organise the equipment to be ready in plenty of time and at your convenience.

Once received, our Service staff will respond to your Education Service Order in a prompt and professional manner.

1

Print & Complete

the attached 'Education Service Order' and include it with the equipment. This is very important as we need to know what it is, what is wrong, who sent it, and where it has come from.

2

Package & Address

your equipment to prevent damage during transit (must be in a box with adequate padding), then fill-out and attach the address label.

3

Call our courier service

and arrange collection. All the details are on the attached 'Education Service Order'. The courier company will advise an ETA which is normally within 4 business hours.

4

Relax

and let Computers Now take the hard work out of your technology equipment repairs. Our Service staff will contact you directly regarding your service order.
